CATEGORY: Education

SUBJECT: Educational Goals

EFFECTIVE DATE: February 1, 1990

LAST REVISION DATE: March 29, 2008

- I. WVSOM shall pursue the following educational goals:
- A. Endeavor to recruit and admit an entering class that has the potential to practice rural primary care in West Virginia.
 - B. Educate the students in the predoctoral years in such a way that they are prepared to practice rural primary care within West Virginia.
 - C. Provide the postdoctoral training environment and opportunity which encourages WVSOM graduates to practice rural primary care and other specialties in West Virginia.
