CATEGORY: Education

SUBJECT: Curricular Years

EFFECTIVE DATE: February 1, 1990

LAST REVISION DATE: March 22, 2006

WVSOM's predoctoral curriculum encompasses four (4) years of training.

Year 1 and Year 2 include core courses for System Based Learning and Problem Based Learning, as well as systems for System Based Learning and case-based study for Problem Based Learning.

Clinical rotations commence in the third year and continue through the fourth year until graduation.
