DO 18-1. Authority

W. Va. Code § 18B-1-6

DO 18-2. Policy

WVSOM shall pursue the following educational goals:

- 2.1 Endeavor to recruit and admit an entering class that has the potential to practice rural primary care in West Virginia.
- 2.2 Educate the students in the predoctoral years in such a way that they are prepared to practice rural primary care within West Virginia.
- 2.3 Provide the postdoctoral training environment and opportunity which encourages WVSOM graduates to practice rural primary care and other specialties in West Virginia.
