- 3.1.2 Credits may be transferred only from osteopathic medical schools and colleges accredited by COCA.
- 3.1.3 Students who transfer to WVSOM must complete at least two years of instruction at WVSOM.
 - (i) Additional course work may be required to meet the requirements of the WVSOM curriculum.
- 3.1.4 Students must provide all of the following to be considered for transfer:
 - (i) A completed American Association of Colleges of Osteopathic Medicine Application Service (AACOMAS) application accompanied by a non-refundable application fee.

- (ii) A letter from the applicant indicating why he/she wishes to transfer to WVSOM and explaining any circumstances resulting in his/her request for a transfer from his/her current medical school.

- (vii) Letters of recommendation from two (2) faculty members at the medical college where the student is currently enrolled.

3.2 Process

- 3.2.1 Acceptance of transfer students will be dependent upon the student's qualifications, curricular compatibility, and available space.
- 3.2.2 Once complete, the transfer application file will be sent to the Admissions Committee to review and determine admissibility based on the student's academic record and compatibility with the mission of the institution. If found acceptable at this stage, the transfer application file will be sent to the Student Promotions Committee.
- 3.2.3 The Student Promotions Committee will review the file to determine compatibility with the curriculum and, if appropriate, specify the deficiencies to be addressed. If found acceptable at this stage, the transfer application file and a list of any deficiencies will be returned to the Admissions Committee. If the applicant's records are found incompatible with the curriculum, the file will be returned with the recommendation to deny transfer.
- 3.2.4 Any transfer applicant found acceptable by the Admissions Committee and the Student Promotions Committee will be interviewed by the Admissions Committee which makes a final recommendation to the Vice President of Academic Affairs and Dean who, in turn, will make the final determination of acceptability regarding admission.
