

INSTITUTIONAL POLICY: ST-06

Category: Students
Subject: Proof of Inoculations/Health Form
Effective Date: February 1, 1990
Last Revision Date: September 16, 2006

ST 06-1. Authority

- 1.1 WV Code §18B-1-6
- 1.2 WV CSR §133-4

ST 06-2. Policy

- 2.1 Each entering student must submit a completed health form provided and approved by WVSOM prior to matriculation.
- 2.2 Students must provide documentation of immunization for Tetanus, Diphtheria, Polio (three doses), Rubella, Rubeola, Mumps (MMR-two doses), and Hepatitis B series, unless medically contraindicated.
- 2.3 Documentation of a negative Mantoux test (PPD) done within the past twelve months must be provided. Students may be required to provide evidence of chest x-ray results or other information certifying a noncontagious state.
- 2.4 A titer for Hepatitis B, Rubella, Rubeola, Mumps, and Varicella must be completed by the end of year 1. If a negative result is detected this will be managed on an individual basis.
- 2.5 No students can register for year 2 until all requirements in this policy are met.
