Institutional Policy: ST-06

Category: Students
Subject: Proof of Inoculations/Health Form
Effective Date: February 1, 1990
Last Revision Date Updated: September 16, 2006

ST 06-1. Authority

1.1 W. Va. Code § 18B-1-6

1.2 WV CSR §133-4

ST 06-2. Policy

2.1 Each entering student must submit a completed health form(s) provided and approved by WVSOM prior to matriculation.

2.2 Students must provide documentation of all vaccinations and where indicated proof of immunity as listed in the Procedure for Institutional Policy ST-06, immunization for Tetanus, Diphtheria, Polio (three doses), Rubella, Rubeola, Mumps (MMR-two doses), and Hepatitis B-series, unless medically contraindicated.

2.3 Documentation of a negative Mantoux test (PPD) done within the past twelve months must be provided. Students may be required to provide evidence of chest x-ray results or other information certifying a nonecontagious state.

2.4 A titer for Hepatitis B, Rubella, Rubeola, Mumps, and Varicella must be completed by the end of year 1. If a negative result is detected this will be managed on an individual basis.

2.5 No students can register for Year 2 until all requirements in this policy are met.

2.6 Students must comply with any current vaccination and testing policies of any affiliated hospitals or other healthcare facilities/providers with which the student may participate as part of any clinical rotation or other curricular activity. Students should be aware that such policies may be changed at any time.
