Connecting ImageScope to slides.wvsom.edu

The Image Scope software is used for viewing Aperio slides from the web at https://slides.wvsom.edu and logging in with the credentials provided by Karen Wines.

Prior to viewing slides the first time, the path to the Remote Server must be added to the Aperio ImageScope application by following the steps below.

1. Click, "File".
2. Click, "Access Remote Server... Ctrl+R".
